Welcome Back Firebirds

Firebirds are:

Honest

Empathetic

Responsible

Open-Minded

We will foster a community where everyone feels safe, respected, welcome and accepted!

So many things to be grateful for...

New fountains, new
playground, buddy
bench, a beautiful
clean school, seeds of
kindness, friends,
family, great staff

All Are Welcome

All are Welcome, come and see
Our Firebird community
Together we learn, laugh and grow
Always share what we know.

Colour the
world with
kindness

Lunch, recess, and all through the day
We look out for each other in every way
Words matter, so we must be kind
Never leaving a friend behind.

Kindness

Be responsible and kind, open -minded too
Respect each other it's what we do!
All Are Welcome, come and see
Our Firebird Community!
