Students will be heading out on various field trips this week. Please ensure that your child/children bring back their permission slips. It is a requirement that students wear a mask on the bus. If your child does not have one, we can provide one for them.

Please see the link for the [daily health checks](#) posted on the Ministry of Health site. It is important that all families complete this daily to ensure children with symptoms stay home. Keeping children at home when not feeling well helps to keep other students and the staff healthy. Thank you for your assistance.

Although the weather improved this week, we are looking at colder weather again next week. Inside days will occur at -15 or colder. Doors open at 7:45 a.m. and students can wait inside on these cold days. If the weather improves, we will be spending time outdoors. Students are reminded to dress for the weather.

Have a great weekend everyone!

Sincerely,

Mrs. Scheck, Mr. Mackay, Mrs. Gibos
