Dear parents, guardians and community members,

Re: Walker's Greenhouse Fundraiser

With the temperature warming up soon (at least we hope so), it is time to start thinking about gardens. Our school will be doing the Walker Greenhouse fundraiser again this year. They are a local company who will provide us with great plants. Not only can you order pre-made baskets, trees, flats of vegetable plants but gift certificates too. These gift certificates make an excellent option for birthdays, weddings or Mother's Day. The flowers and gift certificates will be ready for pick up at the school on May 5-6th, just prior to Mother's Day. Trees would need to be picked up at the greenhouse to ensure you get the variety and tree you want.

We will keep this fundraiser open until March 16th. We know this is early but we need to complete the order prior to spring break so that the greenhouse can get the baskets started.

Thank you for purchasing through this fundraiser. We appreciate your support.

Kathy Scheck
Principal
Margaret Ma Murray Community School

Shocking Storm

Summer Sunset

Octoberfest

Strawberry Shortcake

Water Wheel
