21 Family Day School Closed	22	23 Pink Shirt Day	24	25 Wack Hair House Team Activity

Attendance: Please continue to call or email the office each day should your child/children not be attending. The [daily health checks](#) link is here to assist families in making the decision on whether to keep a child home or not. We have many students who are arriving not feeling well and only one medical room. We will continue to make phone calls to families should children need to go home due to illness. If you need to pick your child up during the day, please call the office and your child will be called down and dismissed from the front entrance. We ask that anyone entering the building, come in through the front door and be masked. This will ensure that our safety protocols are followed.

Kindergarten Registration: We are currently taking kindergarten registrations for the 2022-2023 school year. Children who will be 5 by December 31st, 2022 are eligible for kindergarten. To register, please bring your child's birth certificate, immunization records and proof of address. If you know

families in our catchment area with children eligible for kindergarten, please feel free to pass along this information. Families may also register on-line at: <https://www.prn.bc.ca/register-for-school/> . If you have any questions about registering, please contact the school.

We continue to work on our school goals for literacy, numeracy and social responsibility. Gratitude and kindness are two of the virtues we are working on. We wish to thank the staff and parents who are coaching basketball, offering clubs and activities for the students to enjoy. Have a great week everyone.

Sincerely,

Kathy Scheck
Principal

Hunter Mackay
Vice Principal

Linda Gibos
