23 Victoria Day School Closed	24	25 District Speech Contest Welcome to Kindergarten 4:45-6:30 p.m.	26 Doig Days grade 4 students	27 PJ Day House Team Challenge

Crazy weather out there this morning and scheduled for the week. Students will be outside for morning, recess and lunch. Please remind students to dress for the weather.

Field Trips: Many field trips will be planned in the coming months. Please check your child's backpack, agenda and emails for this information. Permission slips are required and we want to make sure all parents have received these prior to the date of a field trip.

Kindergarten 2022-2023: Registration is ongoing for kindergarten registration. Children must be 5 before December 31st, 2022. If you are planning to have your child registered for kindergarten, we encourage you to complete the paperwork as soon as possible. It is vital for planning our staffing for September. Although it seems early, we begin planning for September right after spring break. Welcome to kindergarten invitations will be sent home to families that are currently registered. We look forward to seeing you soon,

We want to thank all of you for your concern over our missing water tank. We have secured two tanks now and are so grateful to United Rentals and Knappett Industries for their generosity. This water supply will provide so much joy to the students.

Please see attached link for our assembly slides.

Wishing everyone a wonderful month of May.

Kathy Scheck
Principal

Thank you Bev Lambert for teaching our students about the Metis people and how to dance the Metis jig.
