As this year draws to a close, we want to thank all families for supporting our endeavours throughout the year. We have a strong commitment to education, inclusion and support for each other. Staff have worked extremely hard to provide excellent learning opportunities, fun-filled activities and the students have learned an incredible amount. We will continue to make posts on our Facebook account to share year-end pictures.

Lost and Found: Our hallway by the gym is overflowing with lost and found items. Students will tour these tables and hopefully claim their items. Parents, however, are encouraged to come and stroll through this never-ending supply of clothing. Tables will be kept up until Friday, Jun 24th.

As part of National Indigenous Peoples Day on June 21st, Doig River First Nation has invited students from Margaret Ma Murray Community School to participate in the opening ceremonies for DRFN Urban Reserve, located on the property near the school. Students will arrive at 11:00 a.m. and sing *Whojo se Whojee* (To Be Kind) in Beaver with Mrs. Brooks and Councilor Garry Oker. Students have also been invited for a BBQ lunch by DRFN. To learn more about this momentous event, please check out the link at: [DRFN TLE](#).

As we get ready to say farewell to our Grade 6 students, we want to wish them all the best as they head to middle school. You have made us all proud and we look forward to hearing about your future successes.

We want to also wish a few staff members a fond farewell. Mrs. Shurtliff is retiring and we wish her all the best as she moves south to be with her children and grandchildren. We are also losing both Mrs. Green and Miss Powers as they go on maternity leave. We hope to see your little ones in the fall. From all of our staff to all of you, thank you for your outstanding working with our students. Have a great summer everyone.

Mrs. Scheck, Mr. Mackay and Mrs. Gibos
