Our campaign number for those sending in paper copies of the order form is 41071. Purdy's will arrive by December 10th.

Student Leadership: Mrs. Comber and Mrs. Bracey are working with intermediate students in leadership activities. Their next focus will be having a bake sale the week of October 17th. The students in leadership will be donating the proceeds from this bake sale to provide "Meals on Wheels" for seniors who are in need. All baked items will be \$1.00. Donations of baking can be brought to the school each morning that week. Thank you for your support for this worthy cause.

Student Activities: There are many opportunities for student activities within our school. Miss Polnik is offering an art club. Mrs. Fehr and other staff members are offering Yoga over lunch twice a week. Leadership Club happens on Wednesday at lunch. Volleyball teams will begin practices this week. We thank all of our staff and parents who volunteer their time to run these activities.

Kidsport: Are you finding the cost of extra-curricular sporting activities are often too costly to register your children in? Kidsport FSJ is a local organization linked to the provincial organizations that helps provide grants to families for children up to 18 years old to assist with registration costs. Applications and information can be found at:
