Lost and Found: Lost and found is overflowing at the school. These items will be on display starting Wednesday, November 23rd. All items will be displayed down our main hallway so that families can look through the items and claim what belongs to them. Please drop in at any time to look through these tables.

Christmas PJ Drive: We will be supporting the Community Bridge PJ Drive from November 23-December 7th. We are hoping to collect 10 pairs/house team. Boxes for the PJ Drive will be on display at the library. We are also a drop off site for community members for this worthy cause so if you have family and friends who want to support the PJ Drive, please encourage them to drop off at the school between these dates.

Gifts for Seniors: This was a very successful and needed act of kindness in our community. Last year we were able to sponsor over 40 seniors. Collectively, we are looking to help again. Items needed for the seniors' gift bags include: coffee pods, cups, hot chocolate mixes, hand towel and face clothes, soaps, puzzles and chocolates. If you are able to help provide for these bags, please send an item or two to school. Supporting our senior is an intentional act of kindness to give to citizens who have supported our community.

Volleyball Season: Another successful volleyball season has come to an end. Over 40 students were out playing on teams, thanks to our coaches and refs. Congratulations to our Grade 5/6 Girls' team for placing first in the tournament and to all other teams who represented us so well with sportsmanship, team play and great skills.

Mingle Jingle: Please keep Thursday, December 15th in your calendar as a night to mingle jingle at school. Instead of doing a traditional Christmas concert, our staff has decided to have a night of fun, crafting, dancing and community. The school will host a variety of activities this night to include something for everyone! We hope to see you all there.

Have a great weekend everyone!
