Dear Parents and Guardians,

Welcome back to Margaret "Ma" Murray Community School year six. On behalf of the staff, we would like to say how excited we are to see all our students and families as we start our school year. We have been receiving a number of questions regarding opening day, school supplies and procedures. Hopefully this newsletter will help to address your questions and put you somewhat at ease for start-up.

Gratitude and Kindness will be our virtues for the month of September. We have so much to be grateful for in our school, our community and our province. We are so grateful for the generosity of others. A special thank you to families and staff who watered our gardens over the summer.

The staff have been working hard to plan for their classrooms, spirit day activities and back to school activities. If you know of families who have moved in to our catchment area, the school will be registering students at the following times:

- Monday, August 28th, 1:00-3:00 p.m.
- Tuesday, August 29th, 9:00-3:00 p.m.
- Wednesday, August 30th, 12:00-3:00 p.m.
- Thursday, August 31st, 9:00-3:00 p.m.
- Friday, September 1st, 9:00-12:00 noon

Setting registration times will optimize our work day at the school so that we can give our new families undivided attention when you come to see us.

First Day Procedures: School will begin for grade 1-grade 6 on **Tuesday, September 5th**. Students who will be arriving by bus will start arriving around 8:00 a.m. Students catching the bus at **Ecole Central** will need to be at the bus area at Central by 8:05 a.m. as the bus leaves at approximately 8:10 a.m. Upon arrival at school, students will check in at a table outside by the flagpoles. We will give students a label to identify their classroom teacher. Newly registered students will come to the table assigned for new

students, where one of our staff will welcome them and help them find their classroom. This label will be stickered to their shirt to identify which class they will be assigned to. Once the bell rings, we will have the students line up outside in the field by the cones labelled with their teacher's name. These cones will be in the same location as last year. All new students will be escorted to the correct entry point.

Classrooms will be brought in once the bell rings and students will settle in with their assigned teacher for the morning. As we are unsure of the configuration of the school at this time (we are not sure which families have moved in or moved away), your child will be assigned to a teacher until Friday. At that time, we may have to do some shuffles if there are fluctuations in registrations. All staff will work together to make your child feel safe, secure and supported.

Dismissal on the first day will be at **10:45 a.m.** Supervision will be provided to all bus students until their bus arrives to pick them up. Wednesday, September 6th will be a full day. Students will need to bring their lunch and inside shoes for the second day of school.

Kindergarten: Kindergarten students will be on a gradual entry. The kindergarten teachers will be calling all families on **Tuesday, September 5th** to review the schedule for each child. Full day kindergarten begins on **Wednesday, September 13th**. There is a possibility of a Kindergarten/Grade 1. Typically, we would want students in this configuration who have birthdays in January - March and who have attended at least one year of pre-school. If you are interested in that combination, please let Mrs. Scheck know.

School Fees: The School Board has approved our school fees for the 2023-2024 year as well as the School bell schedule. We ask that fees be paid by October 1st. Please see the school fee table along with the bell schedule below. School supplies have arrived and are teacher specific. We hope that parents take advantage of purchasing supplies from the school as this alleviates families from having to search out lists and supplies. We buy our supplies in bulk and as a result we get great prices, which we pass along to our families. It also ensures that students receive the supplies that their specific teacher wants to use.

Families can make payments online via MyEducation BC Family Portal. This is a secure platform to pay for your child's school fees. Payments can be made using Visa, Mastercard, AMEX and Visa Debit and Mastercard Debit. We will continue to allow cash for school fees as well should you prefer to pay with cash. The parent/guardian user guide is available for download from the school website or at this link: [MyEducationBC Online Payment Parent Guide \(https://myedbc.prn.bc.ca/family-portal/\)](https://myedbc.prn.bc.ca/family-portal/).

School Supplies: As per previous newsletters, we would like to offer school supplies to families at a cost of \$40.00/child and \$50.00/child in kindergarten. This alleviates families from having to search out lists and supplies. We buy our supplies in bulk and as a result we get great prices, which we pass along to our families. It also ensures that students receive the supplies that their specific teacher wants to use.

Cultural fees help to offset the cost of all the cultural performances and art residencies that will be held in 2023-2024. Bus fees help to offset the cost for field trips, swimming lessons and skating trips (as they

become available). Students who bring their own supplies will be required to pay cultural fees, bussing fees and the agenda fee.

Bus Students: Many of the students will be arriving on buses. We have the tentative arrival schedule but not departure times. This schedule will be set up in early September once transportation knows how many students will be taking the bus. Any new families that require their children to ride the bus (i.e. you have moved into the area for catchment or your child is in kindergarten and never taken the bus) will need to complete a transportation form. Any family who has had their physical address changed (currently on a bus route but have moved locations and have a new physical address) will also have to fill in a new transportation form. There will be supervision at the school when the students are dropped off and until they are on their bus for their return trip home. Transportation forms can be found at the district website at: <http://www.prn.bc.ca/transportation/>. You can also contact bussing for further information at (250)263-6425 or (250)263-6426.

School Meals: M.M.M.C.S. will be offering a school meals program starting on September 18th. Menus will be coming home on Monday, September 11th, so please watch for them. All directions will be included in

the menu paperwork. This is a successful program provided for by the district and we look forward to providing this option for your families.

Many students and families are feeling anxious about coming back to school. Attached at these links are a few interactive story slides. You just open the link and click on a picture, an item or a bolded word. We hope you enjoy [MMMCS First Day of School](#) and [Back To School 2023](#).

We have included a calendar for September with the dates we know so far as well as the Revised District 2022-2023 Calendar, and criminal records check information. We look forward to meeting all families as you arrive on the first day of school. I am hoping you are all as excited as we are for the third year at MMMCS. Enjoy your last weeks of summer holidays!
