Learning Updates: A reminder to families that learning updates will be going hom on Tuesday, November 21st. These documents are replacing report cards. Teachers will be contacting all families with a schedule to parent-teacher conferences. We will have early dismissal days on November 22nd, November 23rd and school will be closed on November 24th to accommodate these conferences.

School Fees: Thank you to those families who have paid their school fees. Please pay outstanding fees as soon as possible. We are sitting with \$9500.00 in unpaid fees. This is a large amount particularly when we must pay for the agendas and school supplies. Unpaid funds means the school must cover these costs until fees are paid. This impacts what we can do with our school funds.

P.A.C. Information: For our 2023/2024 fall season, we have taken over the Purdy's fundraiser, which you can access at <https://fundraising.purdys.com/1770625-108544> . You can use our campaign code 70501 to connect to our Christmas campaign. All orders must be in by November 26 and the planned pick-up day will be December 11.

We currently have the Dieleman's fundraiser happening, and all students should have come home with the catalogue. If you would like to place an order, please go to <https://www.dfscanada.com/shop-now/> to set up your online account. Our organization ID is **7186**. All orders must be in by October 31.

We will also be doing the Growing Smiles fundraiser again and that will be starting very soon. Our link to this fundraiser is: <https://margaretma.growingsmilesfundraising.com/home>. The next P.A.C. meeting will be held on Tuesday, 14th at 3:00 p.m. in the Bella Yahey Gathering space. We look forward to you joining us then. The Ma Murray P.A.C. also has a Facebook page. Please join us at: <https://www.facebook.com/groups/279937342627775/> or search **Margaret Ma Murray School PAC**.

School Activities: Our school has a variety of activities for students to participate in at lunch and afterschool. These activities include: art club, student leadership (Early Act), SWIS Club, Yoga for primary and intermediate, sports teams, Earth Rangers club and Culture Group. It takes many staff members to offer this rich extracurricular opportunity for the students in our school. Thank you to all the staff that make Margaret "Ma" Murray Community School a welcoming and nurturing environment for all.

It looks like we will continue to have very nice weather. Students will remain outside until the temperature is -15 or colder. Please make sure your students are dressed appropriately.

Have a wonderful weekend!
