The school has been a bustling place of activity. Thank you to all families that donated pj's and gifts for seniors. We collected 125 pairs of jammies and almost 200 items for seniors. These items created over 40 gift bags to seniors. The school will deliver the bags on Thursday when we go carolling. Thank you to "The Early Act Club" who put the items together and encouraged all the students through these campaigns.

We want to let everyone know that Mrs. Brittany will be taking a leave for the rest of the school year. We wish her well in her endeavours and are grateful for her work and impact on our school as the Indigenous Support Worker. We are going to miss you like crazy. We welcome Miss Ferguson who is replacing you in January.

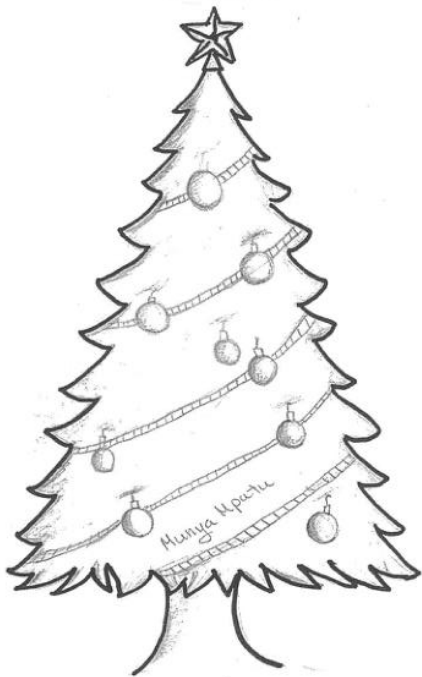

Our last week of school will be busy. We are looking forward to our Christmas concert.
