Early Act Student Leadership has organized many events and challenges for the students to participate in and help with (see calendar dates). They are hoping that we will be able to have Elf Day on Friday, December 15th. The challenge is that the students need to meet the challenge of collecting 70 pairs of Pajamas by December 14th. We believe that this is a goal we can meet. Gifts and items for seniors are also due on Friday, December 15th. There are boxes

at the library where students can put items for their house team points.

Basketball

- Community Coaches- If you are interested in helping or coaching with basketball, and have your criminal record check completed, please let Mr. Clements know in the office (email - ccllements@prn.bc.ca).
- Drop in- We will be having basketball drop in for students in Grade 4-6 over lunchtimes heading into Christmas Break. We are looking forward to basketball season in the New Year.

Our Christmas concert will be held on Wednesday, December 20th. Families who cannot make the evening performance are invited to watch our dress rehearsal at 1:00 p.m. Thank you to Miss Polnik and Mrs. Brooks for organizing this concert and coordinating all the lights, sound system, props and parts. We are looking forward to the production.

Here's looking to a fun-filled month of December, making a difference in our community.

Sincerely,

Margaret "Ma" Murray staff and students
