Big Buddy Read: Thank you Mrs. Powers for organizing the “Big Buddy Reading” afternoon to coincide with the Family Literacy Week. Students and staff had a wonderful time. It was great to see house teams working together, celebrating and enjoying reading activities. We will post pictures to our Facebook page this weekend.

Spirit of Healthy Kids Contest: Last year our school participated in the “Spirit of Healthy Kids” contest and won the top prize of \$5000.00. \$2500 of our prize will be going towards a Cabin Fever Day on February 23rd. We will be participating again this year from February 12-24th with schedules and information going home in February. We look forward to a good participation rate school wide.

Cabin Fever Day: Students will be receiving a sign up sheet for Cabin Fever Day in the coming days. We ask that families complete the sign up sheet and return it as soon as possible so that we can get permission slips done and buses booked. All costs for this activity day will be covered by our prize money from the Spirit of Healthy Kids Contest.

It is very nice to see the lovely mild weather. The students are enjoying the snow piles and the extra shovels, winter toys and sled that the P.A.C. have purchased. We really appreciate this generous donation of items supplied by the P.A.C.

The month of January has flown by. The days are stretching and the sunlight is warming us all up. We will be spending time outside at recess and lunch weather permitting. Students will need their winter gear for outside days.

Sincerely,

Kathy Scheck
