29 Assembly @ 9:00 a.m.	30	31	Feb 1	Feb 2 NID Day School Closed

Welcome back to school everyone! We were very excited to see all the students today. They seem to have really grown tall over the break!

We are anticipating very cold weather and want to remind families that we keep students inside when the weather is -15 or colder. The doors to the school are open in the morning by 8:00 a.m. and students are to go into their mudroom, put away their boots and head to the gym to be supervised. Students waiting for rides after school need to come inside to wait if their ride is late. Please make sure that students come wearing their outside gear including boots. Many students came without boots today and were reminded that it is for their protection. If the weather warms up during the day, students will head outside and will need all gear.

Kindergarten 2024-2025: We will be starting to accept kindergarten registrations. If your child will be five before December 31st, 2024, they are eligible for kindergarten. Registering early helps us plan for September but also for our Welcome to Kindergarten events. When registering, please bring your child's birth certificate and proof of residence.

This term looks to be full of extra activities and fun. We will keep you informed on all events coming up.

Sincerely,

Kathy Scheck
