4	5 Grade 4 swimming lessons 1-2 p.m.	6 Senior Band concert @ 9:30 a.m.	7 Grade 4 swimming lessons 1-2 p.m.	8

Spirit of Healthy Kids Challenge: Students have been so excited to report the healthy things they are doing for this challenge. We hope that they are either recording activities, healthy food choices and kindness items on their recording sheet. Over 150 students have joined at recess for our walking club/go noodle dance time. This has been amazing to see how many students have chosen to participate during recess. All students participated in Metis dancing on Friday, February 16th. What an amazing learning opportunity for them. Next week, students will all be participating in “Jump Rope for Heart”. This is another school wide activity that can be logged on our reporting forms. Finally, students will all have an opportunity to participate in our “Cabin Fever Day”. They have chosen from a variety of activities and will be heading out on field trips on February 23rd. This is a great way for us to develop healthy habits and friendships. Lunch will be provided for all students on “Cabin Fever Day” (grilled cheese sandwiches and soup). Canteen will not be available for ordering on “Cabin Fever Day”. Please make sure that permission slips are turned in no later than February 22nd.

Cabin Fever Day Volunteers: We are looking for any parent/guardian volunteers to help out with our Cabin Fever Day. Some areas you could help out in are preparing lunch for the students or helping out with activities, like skating or the bouncy castles in the gym. If you are interested in volunteering, please contact the office by phone or email. Reminder, all volunteers need to have an updated criminal record check with SD 60.

Kindergarten 2024-2025: We are accepting kindergarten registrations for the 2024/2025 year. If you know of families in your neighbourhood who have little ones ready for school, please let them know. We need proof of address, birth certificates and immunization records.

We wish you a wonderful long weekend and look forward to Cabin Fever Day.

Sincerely,

Mrs. Scheck

Mr. Clements

Mrs. Gibos

Margaret “Ma” Community School
