22 Bake Sale for children's hospital	23	24 Jeans Day for Children's Hospital Dynamic Influence Social Media Presentation	25	26

Welcome back for our final term of 2023-2024. We have many amazing things planned and are looking forward to seeing all the students, rested and ready to learn.

Cops For Cancer: Constable Douglas Furlong will be here on April 8th to do presentations for Cops for Cancer Campaign/Tour for September. He will showcase ways this tour helps raise funds for cancer research and helps families in need.

Reading is Disgusting: April will bring to all students a “Reading is Disgusting” challenge. Students and classes can participate in many ways. Your child will be bringing home information and a log sheet next week. We are looking forward to all the disgusting facts we can learn about.

Overdue Fees: We are at that time of year where we make decisions on whether to order school supplies for families for next year. In order to place an order, we need to have overdue school fees paid up. Currently there are \$5000.00 fees in arrears. We will be sending out overdue fees invoices this week. If we cannot get a majority of these fees collected, we won't be in a position to re-order for the fall.

Kindergarten 2024-2025: If you have a child that will be attending kindergarten in September, please register them this first week in April. Birth certificates, proof of address and immunization records are needed when registering. Currently there are only 15 students pre-registered for kindergarten. This means only one class for September. We will be planning our “Welcome to Kindergarten” for May as well as the “Ready, Set, Learn” session and are hoping to send out the invitations to all families registered. If you have any questions, please feel free to contact the office.

It looks like spring will be sticking around. The lovely weather is a welcome surprise.
