27 Dance Residency All Week	28	29	30 JT abs	31 Cops for Cancer- Popsicle sale @Lunch

We have been super busy here at Ma Murray over the last few weeks. Students wrapped up their "Disgusting Reading Contest", dissected owl pellets, attended the district badminton tournament, participated in the speech contest and grade 5 students attended Xplorefest where they had hands-on learning activities. The coming weeks will continue to be jam packed with activities, field trips, special projects and track and field. All grade 4 students will attend the District Doig Day, which is a great way to expand their knowledge on local Indigenous culture. Please make sure to check your child's backpack for any field trip forms that will need to be signed and returned to school

School Fees: Invoices for unpaid fees were sent home in April and some are still outstanding. Families can make arrangements to make partial payments if needed. We do request that you make every effort to clear up these outstanding fee balances prior to May 31st. These outstanding balances affect how we operate within our budgets and our ability to order next years items. Payments can be made at: [mmpayments@prn.bc.ca](mailto:mmpayments@prn.bc.ca) . Please note in the transfer that it is for school fee balances.

Welcome To Kindergarten: As we prepare for the 2024/2025 school year, we are hosting a Welcome to Kindergarten event for all new students coming to kindergarten. Invitations have been sent out electronically to all families that have registered for kindergarten. If you are aware of any families who have not registered for Kindergarten yet, please pass along the information. We look forward to meeting all our new families at this event.

DANCE PL3Y: We are really looking forward to the DANCEPL3Y residency the last week in May. This exciting opportunity will give students a great opportunity to develop physical literacy skills with dance moves. This is not old fashioned dances, this is high energy hip hop dance, where students will be involved and introduced to many ways to move around while having fun. Check out their website at: [DANCE PL3Y](#) . Classes will be encouraged to try some of the links below to activate excitement with their students.

[Some Practice Links](#)   [Shake it Off](#)   [Thunder](#)   [Indigenous Dance](#)

The warmer weather has arrived and with that the chance is high for classes to be outside. Students are encouraged to wear hats, drink lots of water and have sunscreen particularly during field trips. Please label items so that they can be returned if left on the playground.

Wishing everyone a wonderful weekend.
