With the year quickly coming to an end, we will try to update families as much as possible on school activities in this week ahead. Thank you for your continued support of our school, the staff and all of the amazing activities that we have for students to enjoy. Please make sure to keep the field trip dates close at hand, as the classroom teacher will update families if the weather changes or field trips are cancelled. We appreciate that all families get the field trip forms back prior to the date. We are trying to collect the last of the school fees. If you have outstanding fees, we ask that these are cleared up immediately.

Garden Cubes: Our garden cubes are looking great as we see potatoes sprouting, onions growing tall and all other vegetables and flowers thriving. We are looking for some assistance with watering over the summer. If you are able to help with this, please send an email to kscheck@prn.bc.ca and a schedule will be coordinated.

Cops for Cancer: We would like to update you on the fundraiser for "Cops for Cancer". Thank you to all families who supported Early Act with bake sales and freezie sales over the last two months. At the assembly we presented "Cops for Cancer" a check for \$700. This is an amazing effort on the part of our leadership group, with the support of the whole student body, to make a donation for an organization to support research around childhood cancer. We are grateful for all the support!

Fun Day is looking like it will be a great day for being outside. Students are encouraged to bring a hat, sunscreen, plenty of water and enthusiasm. The staff has planned an amazing day! Families are welcome to join us throughout the day to enjoy the sunshine, games and fun!

Kindergarten 2024-2025: Kindergarten families will be contacted on September 3rd by the assigned classroom teacher on Tuesday, September 3rd. At this time, each family will get their phase in schedule. We use a model of phase in, where students have one hour on the first day, gradually increasing to a full day on Wednesday, September 11th. We are looking forward to seeing all our new students, starting on September 4th.

Festival of Colours: Our annual "Festival of Colours" is on June 26th. This event is open to families and friends to attend. To learn more about this activity, click [this link](#). This is our final activity of the year for the students to celebrate with their friends. We hope to see many of you here.

Thursday, June 27th marks our final day and final assembly. Families are invited to join us for this assembly which will take place at 10:30 a.m. This will also be the last day of our lost and found. All unclaimed items will be cleaned up and donated. Dismissal will be directly after the assembly and the buses will be running at 11:45 a.m.

We are really looking forward to making some wonderful memories with the students and staff in these final two weeks of school. Thank you for making our year memorable.

On behalf of the staff, we wish you a wonderful summer!

Sincerely,

Kathy Scheck

Cody Clements

Linda Gibos
