---	---	---	--	---------------------------------

The year is quickly wrapping up and it has been a very successful one! We are looking forward to a very busy June with many field trips, school wide events and end of year assembly. Thank you to all the families who have supported us this year.

Some of our staff will not be returning to MMMCS next year. Mrs. Jaimelia will take on the role of Vice Principal at Duncan Cran Elementary. Mr. Clements will take on the role of Principal at Clearview School. Miss Jespersen is leaving us for Dr. Kearney where she will take on the role of Learning Assistance Teacher. Mrs. Trask has decided to take next year to be with her family. We wish them all the best in their future and will miss them terribly.

As part of our year end celebration, we have a "Festival of Colours". This is a celebration of friendship and acknowledges many of the cultures represented in our school. You can learn more about this celebration [at this link](#).

Two sporting activities are coming up soon. The first one is the District Track meet. Students attending must have a permission slip turned in. The second one is the Slowpitch tournament on June 14th. This will be hosted at Upper Pine School and also requires a permission slip. If you have any questions, please contact Mr. Clements.

Ready, Set, Learn: This event is for children ages 3-5 years old. It is a chance to come to the school and meet other children and have a school experience. Please see the attachment below.

Have a great week everyone!
