What a great first two weeks of school! Students are adjusting to their new classrooms, routines, and making many new friends. Staff, however, are relying on coffee to help them adjust to the pace of being back to school. Many activities have started including soccer and cross country practices. We are looking for some assistance for coaching soccer as we have 3 teams and one coach. If you have a child coming to practices and would like to assist, please contact kasai@prn.bc.ca. We are looking for some help specifically with the tournament on Saturday, October 5th. Thank you for considering this opportunity to work with our students.

Pirate and Pancake Day is our first house team challenge. All students are encouraged to dress like a pirate and enjoy pancakes for breakfast. This yearly house team challenge is so much fun! We will post pictures of all the scurvy pirates on our facebook page. To get into the pirate mood, check out some pirate stories on our [Pirates slides](#).
