The next two weeks are very busy for our students. Pirate and Pancake Day is our first house team challenge. All students are encouraged to dress like a pirate and enjoy pancakes for breakfast. This yearly house team challenge is so much fun! We will post pictures of all the scurvy pirates on our facebook page. To get into the pirate mood, check out some pirate stories on our [Pirates slides](#). Earth Rangers will be here the same day to talk to us about endangered birds and animals. This is an interactive presentation and families are welcome to join.

Orange Shirt Day is a very important day for staff and students. During the week many lessons will be taught on why Orange Shirt Day is an important piece of honouring and recognizing survivors of residential schools. By remembering the past we work towards creating a better future. A great resource for families from CBC can be found at: [Orange Shirt Day](#). A school resource, which includes stories and background information can be accessed at: [Orange Shirt Day 2024](#). We hope families take some time to access these resources.

MMMCS Online Store: Our online store is now open to purchase MMMCS gear. Please check out the following link and know that the window to purchase will be open until September 29 with items arriving in mid November.

We look forward to meeting families at our **Open House** on October 3rd, (5:30-7:00 p.m). New families will be able to see the wonderful school that your children are a part of. Returning families find this a great opportunity to network with staff and other families in our community.
