Kindergarten Registration: It's that time of year to begin planning for next year's kindergarten students. If you have a child that will be 5 by December 31st, registration is now open. The [School District Link](#) provides all the necessary information to register your child either online or in person. We are looking forward to meeting all of these new students.

The weather will continue to fluctuate over the coming weeks. The playground is very icy and when thawing happens, extremely wet. It is a good idea to add extra socks and pants to your child's backpack.

Have a wonderful week!
