We are very excited to have our Dance Play residency back for the week of February 10-14th, 2025. Students will experience many forms of music along with dance steps to encourage fitness and fun. Check out [Dance Play](#) website to learn more about physical literacy and how their program develops skills in physical literacy.

Spirit of Healthy Kids: We are fortunate to be joining the Spirit of Healthy Kids challenge again this year. Forms and information went home to families last week. This Northern Health contest works with the Prince George Cougars hockey team. We have received \$6000 in prizes for participating in this program. Prize funds have been used to support the playground fund with P.A.C. and to plan healthy school wide activities. Check out this great opportunity at [Spirit of Healthy Kids](#). Extra tracking sheets are available at the office if parents would like to participate at home.

Mountain West Family Photos: Mountain West will be here on Monday, February 10th beginning at 4:00 p.m. [Appointments](#) are still available if you are interested. The portraits will be taken in our music room. Thank you for supporting this fundraiser.

Parking Lot: We continue to have near misses in our parking lot and along the school. Please ensure that you are watching for students and staff as they cross into the parking lot and go to their vehicles.

Student Behaviour: As a school, we are seeing a spike in inappropriate behaviour in our students. This is often occurring after school or in situations that are unsupervised. Behaviour includes using inappropriate words and swearing as well as hitting, kicking or slapping. We have reviewed during assemblies, on announcements, and in classrooms the expectations for behaviour. We ask that families review expectations at home too. Students are expected to follow our code of conduct while at school and on their way home from school. We appreciate your support.

Talent Show Auditions: Mrs. Rie is busy organizing our school talent show. Auditions will be held next week. Grade 2-3 students will audition at lunch on Wednesday, February 12th and Grade 4-6 students will audition at lunch on Thursday, February 13th. Audition pieces should not be longer than 2-3 minutes in length. The talent show will be held on Friday, March 14th at 11:00 a.m. All families are invited to attend the talent show.

Kindergarten Registrations are being accepted for the 2025-2026 school year. When registering, please remember to bring your child's birth certificate and proof of address. Students who will be five by December 31st, 2025 are eligible to begin Kindergarten in September.

Sincerely,
