We had an absolute blast with our Dance Play residency. All students were excited, participated enthusiastically and learned to bust some great moves. Check out [Dance Play](#) website to learn more about physical literacy and how their program develops skills in physical literacy.

Spirit of Healthy Kids: Week one of the Spirit of Healthy Kids contest is almost complete. We hope that everyone remembers to record their exercise, healthy choices and reading over this long weekend. Wouldn't it be wonderful to win the \$5000 grand prize again? Prize funds have been used to support the playground fund with P.A.C. and to plan healthy school wide activities. Check out this great opportunity at [Spirit of Healthy Kids](#). Extra tracking sheets are available at the office if parents would like to participate at home.

Parking Lot: We continue to have near misses in our parking lot and along the school. Please ensure that you are watching for students and staff as they cross into the parking lot and go to their vehicles.

Talent Show Auditions: Mrs. Rie has concluded the talent show auditions. However, she will conduct auditions next week for students who wanted the extra time to polish up their performances. The talent show will be held on Friday, March 14th at 11:00 a.m. All families are invited to attend the talent show.

Kindergarten Registrations are being accepted for the 2025-2026 school year. When registering, please remember to bring your child's birth certificate and proof of address. Students who will be five by December 31st, 2025 are eligible to begin Kindergarten in September.

Enjoy your Family Day long weekend.

Sincerely,
