Spirit of Healthy Kids: Week two of the Spirit of Healthy Kids contest is almost complete. We hope that everyone remembers to record their exercise, healthy choices and reading over this long weekend. Wouldn't it be wonderful to win the \$5000 grand prize again? Prize funds have been used to support the playground fund with P.A.C. and to plan healthy school wide activities. Check out this great opportunity at [Spirit of Healthy Kids](#). Extra tracking sheets are available at the office if parents would like to participate at home.

It is great to see the warm weather finally arrive. With the change in temperature, our playground will be very sloppy and muddy. Students may want to bring additional clothing in case they fall or get wet.

Parking Lot: We continue to have near misses in our parking lot and along the school. Please ensure that you are watching for students and staff as they cross into the parking lot and go to their vehicles.

Kindergarten Registrations are being accepted for the 2025-2026 school year. When registering, please remember to bring your child's birth certificate and proof of address. Students who will be five by December 31st, 2025 are eligible to begin Kindergarten in September.
