12 Assembly at 9 a.m. Scholastic Book Fair	13 Scholastic Book Fair	14 Scholastic Book Fair	15 Scholastic Book Fair	16 Last day of Scholastic Book Fair

With the warmer weather here, there are more students biking, on scooters and skateboards. Please be mindful as you drive past the school. We ask that families review with their children safety protocols around crosswalks and road safety. Some children are also stopping at the pond on the way to and from school. We know that they are curious about the pond and the birds that are coming back to our area. This, however, is a time to again promote safety around the pond. We will review the safety protocol at assemblies and ask for families to also touch base on this at home.

Kindergarten Registration: If you have children at home that will be 5 prior to

December 31, 2025, they are eligible for kindergarten. As we approach the planning for next year, we encourage you to register kindergarten students prior to May 1st. We are planning staffing and Welcome to Kindergarten events and do not want to miss any of our future students for these events.

On May 5th, we will be joining with other schools across Canada to participate in the Red Dress walk at 1:15 p.m. This walk is to honour Indigenous women and girls. Community members are welcome to join us at this walk.

Sports: We are looking forward to our students participating in the district badminton tournament this week. The girls will play Thursday afternoon from 3:30-7:00 p.m. at our school and the boys will play at NPSS at the same time. The team will also be playing all day on Friday at NPSS. Good luck to all! We will be starting to train for the track and field meet being held on June 6th. If you have an interest in track and field and coaching, please contact the school. We would love community members to help out.

Wishing everyone a wonderful week ahead.
