The school year is quickly wrapping up and there will be many things happening, both at the school level and the classroom level. Please keep your calendars close as you receive field trip forms and dates for upcoming events.

Kindergarten 2025-2026: We are still accepting kindergarten registrations for 2025-2026. Please register as soon as possible. Make sure to bring birth certificates, proof of address and immunization records. All children who are 5 before December 31st, 2025 are eligible for kindergarten.

Staffing 2025-2025: We have a few changes for the 2025-2025 school year. Mrs. Larnder, Mrs. Fehr and Mrs. Kaur will be taking the next school year off to welcome new little ones to their families. We wish them all the best as they head into summer. Mrs. Scheck will be retiring at the end of June after 40 years in the district. Mr. MacGillvary will be taking on the role of principal beginning in September. Over the next few weeks, Mr. MacGillvary will be visiting our school as the transition to our school begins.

Sports Activities: Thank you to all the staff and volunteers who have given of themselves to support track and field and softball. These activities would not be possible without your support. Practices have been occurring throughout the day and schedules have been handed out to students and posted around the school. All students are required to follow the code of conduct for our athletes. We have seen unkind behaviour during practices and are sending this reminder to all families that students who are not following our code of conduct will not participate in district events. Our expectations are that students follow our code of conduct during practices, games and events. This includes appropriate language, hands and feet to self and sportsmanship. The code of conduct will be coming home with all students participating shortly.
